Resume

The Lagoon 42 is an ideal choice for those seeking a rental catamaran in Guadeloupe. With its distinctive style and strong personality, this member of the Lagoon family retains the main characteristics of the latest Lagoon generation while introducing innovations and an organic approach.

The elegant silhouette of the Lagoon 42 is marked by smooth curves that highlight its performance-oriented and dynamic character. The design of the roof, with its streamlined lines, reinforces this impression. The harmony between living space and humans is at the heart of this catamaran, offering an environment that is both aesthetic and functional.

With its 4 double cabins, convertible saloon, and a berth in each bow, the Lagoon 42 offers total comfort. The interior layout is designed to optimize space and circulation on board. A large window spans the entire width of the roof, creating a seamless connection between the interior and exterior.

The cabins of the Lagoon 42 are remarkable. The aft cabins feature island double beds and ensuite bathrooms with separate showers, providing optimal comfort. Large windows in the cabins allow an abundance of natural light and offer beautiful views of the surroundings. The vertical glazing of the roof illuminates the saloon, creating a bright and welcoming atmosphere. The galley, in a "U" shape, is well-equipped and has ample workspace, and it faces the outdoor cockpit, promoting sociability on board.

The interior of the Lagoon 42 is carefully designed by Nauta, reflecting the influence of organic architecture. The gentle curves of the furniture are accentuated by beautiful molded wood, creating a unique and pleasant living space.

Regarding the rigging, the stepped mast of the Lagoon 42 offers many advantages for cruising catamarans. It allows for the use of a self-tacking genoa, providing ease of use. The larger forward triangle allows for a wider choice of downwind sails. The shorter boom simplifies maneuvers, while the wider mainsail at the top benefits from less disturbed winds, offering better performance. Additionally, the recentering of weight significantly reduces pitching, improving stability and comfort at sea.

In summary, the Lagoon 42 is an ideal rental catamaran in Guadeloupe. With its distinctive style, well-thought-out interior layout, exceptional comfort, and marine performance, it offers an unforgettable sailing experience in the waters of the Caribbean.

Summary

The Lagoon 42 is a true best-seller from the Lagoon shipyard, and it's no surprise given its many qualities. This comprehensive catamaran offers exceptional marine performance and remarkable comfort.

Thanks to its ingenious design, the Lagoon 42 combines speed and stability, making it an ideal choice for sailors looking for a high-performance catamaran. Its well-thought-out sail plan, stepped mast, and large forward triangle maximize sail propulsion efficiency, delivering remarkable performance while sailing.

In terms of comfort, the Lagoon 42 does not disappoint. Its spacious and well-arranged interior provides a welcoming and friendly atmosphere. The cabins are comfortable and well-appointed, offering generous storage spaces and cozy beds for rest after a day of sailing. The saloon is bright with its large windows, providing panoramic views of the surrounding landscapes.

The outdoor space of the Lagoon 42 is also highly appreciated. The cockpit is spacious, allowing you to fully enjoy the sun and wind, whether for relaxation or outdoor dining. The optimized aft platforms make it easy to access the sea and tenders, inviting sailors to enjoy swimming and water activities.

In summary, the Lagoon 42 is a comprehensive catamaran that combines performance, comfort, and sociability. Its success as a best-seller from the Lagoon shipyard reflects its popularity among sailors worldwide. Whether for a family, friends, or a romantic cruise, the Lagoon 42 will provide you with an unforgettable sailing experience.
