Resume

The Dufour 360: Ideal for Your Corsican Cruise!

If you're looking for a cruising monohull to explore the stunning coastlines of Corsica, the Dufour 360 is a perfect choice. Built by the French shipyard Dufour Yachts, this monohull combines comfort, performance, and elegance.

Designed by naval architect Umberto Felci, the Dufour 360 boasts exceptional sailing characteristics. With a length of 10.73 meters and a maximum draft of 1.90 meters, this sailboat offers optimal stability and maneuverability. Its generous sail plan of approximately 60 square meters ensures remarkable sailing performance, whether you want to enjoy a relaxed cruise or participate in lively regattas.

The Dufour 360 is equipped with an inboard Volvo Penta engine, providing reliable power for moments when the wind is less cooperative. Its dual-wheel steering system allows you to maintain complete control of the sailboat, while its spacious and bright interior offers a comfortable space to relax after a day of sailing.

The accommodations of the Dufour 360 are both simple and functional, emphasizing comfort and ergonomics. The wood finish creates a warm and welcoming atmosphere inside the sailboat. Whether you're sailing with family or friends, you'll find everything you need to feel at home on board the Dufour 360.

This well-balanced and versatile sailboat is suitable for all types of navigation in Corsica. Whether you want to explore secluded coves, sail along rugged coastlines, or head offshore for grand adventures, the Dufour 360 is ready to accompany you in all your maritime aspirations.

Prepare to experience moments of pure joy during your Corsican cruise aboard the Dufour 360. Enjoy the beauty of the landscapes, feel the thrill of sailing, and create unforgettable memories on the Mediterranean waves.
