Resume

This new addition to the Lagoon family embodies a distinctive style and a pronounced personality.

While maintaining a familiar identity and preserving the key features of the latest Lagoon generation, it opens new perspectives: a seamless evolution, an innovative "organic" approach, seeking harmony between living space and humanity.

Its elegant silhouette and fluid curves, accentuated by a noticeable acceleration of lines in the bows and the new roof design, highlight the dynamic and high-performance nature of this unique model...

With its 4 double cabins and a berth in each bow, comfort is absolute.

This catamaran proves to be the ideal choice for your cruise in the Seychelles.
